Translation:

Little sister come with me,
Little sister come with me,
There are planes each hour,
I m leaving! I m leaving! I m leaving!

Where there is no suffering,
Where there is no suffering,
They saw me pass by the street,
Island of the enchantment,
I m leaving! I m leaving! I m leaving!

Our own animal sings for free for the people,
Hey babe, what are we doing here?

Laaa Loooh, Fatherland.
Island of the enchantment,
I m leaving! I m leaving! I m leaving!
