Music notes:

- The verse music for verses 1 and 2 basically consists of alternating between group 2 and group 1 four times ending with group one playing twice instead of once.
- For verse 3 you stop on the first C5/G of the fourth alternation, allow a little bit of silence for the line God s truth.. and then jump right into the chorus music.
- The chorus music is groups 3 and 1 alternating with distorted guitar playing too, it also ends with group 1 playing twice instead of once.
- The ending is just group 1 distorted over and over finally ending on the G5 with feedback.

Intro:

(verse music, fade in)

Verse 1:

Speak	I m listening
Baby	I m your sweet thing
Believe	what I m saying
God s truth	I m not lying
Verse 2:	
Aahh...We	lie steady
Rest	your head on me
I ll smooth	it nicely
Rub it better	til it bleeds
Chorus:	
Ha haa..We	and you believe me
	call out again
Ha ha	I m caught in your wake
	getting even
Verse 3:	
Aaahh...	I was joking
Sweet Babe	let me stroke it
take	I give it
God s truth	I m not lying
Chorus:	
Aahh...We	and you believe me
Ha...ah ah	I m caught in your wake
	I ll make it better
Ha	and rub til it bleeds
Ending:	
I ll rub it	until it
I ll rub it	until it Ha
I ll rub it	until it
I ll rub it	until it
I ll rub it	until it Ha
I ll rub it	until it
I ll rub it	until it
I ll rub it	until it
