

## Sheela-na-gig

PJ Harvey

View tab in Courier New lettering.

, all chords relative to the capo. Therefore the tuning is actually **F**,**A#**,Mb,**Ab**,c,f and so an E chord is in

reality an **F** chord, an **F#** chord is a **G** chord and so on. But I have transcribed it as if the capo is the beginning of the

fretboard so just ignore the 1st fret and play the tab like you normally would.
