

The Desperate Kingdom Of Love

PJ Harvey

G **C** **G**
Oh love, you were a sickly child
Em **C** **G**
And how the wind knocked you down
Em **C** **Em** **C**
Put on your spurs, swagger around
G **C** **G**
In the desperate kingdom of love

G **C** **G**
Holy water cannot help you now
Em **C** **G**
Your mysterious eyes cannot help you
Em **C** **Em** **C**
Selling your reason will not bring you through
G **C** **G**
The desperate kingdom of love

Dm **Am** **G**
There s another who looks from behind your eyes
Dm **Am** **G**
I learn from you how to hide
G **C** **G**
From the desperate kingdom of love

G **C** **G**
At the end of this burning world
Em **C** **Em** **C**
You ll stand proud, face upheld
Em **C** **Em** **C**
And I ll follow you, into Heaven or Hell
Em **C** **Em** **C**
And I ll become, as a girl
G **C** **G**
In the desperate kingdom of love
