I can t believe that life s so complex  
When I just want to sit here and watch you undress

Does it have to be a life full of dread  
I wanna chase you round the table, I wanna touch your head

You re the only story that I never told  
You re my dirty little secret, wanna keep you so  
You re the only story that never been told

You re my dirty little secret, wanna keep you so  
Come on out, come on over, help me forget  
Keep the walls from falling as they re tumbling in  
Come on out, come on over, help me forget  
Keep the walls from falling on me, tumbling in  
Keep the walls from falling as they re tumbling in
