Set me close, set me higher
Set it up all in the sky

And the temperture s high (and the temperture s high)
And July is down (and July is down) ((very iffy, this bit of lyrics))
My table

You don t know how
How lucky we are
Angel at my table
God in my car

Get in at sea
Take a ship
I christen her victory
She d make it

Come on boys
Let s push it hard
You got down push
Your motor car

Come boys
You done us proud
Your sweating came off
Right off your brow

Victory
