Cenicero, cenicero

Am
Mi Corazón de cenicero

C
You are the birth and you are waste Am

C
You are the one who took my place Am

C
You took a jump into forever Am

C
A leap of faith I could not take Am

And it was

F
A leap of faith I could not take G

A promise that I could not make F

A leap of faith I could not take G

A promise that I could not make C

C
My ashtray heart

C
(Mi corazón de cenicero)

C
We were alone before we met Am

C
No more forlorn than one could get Am

C
How could we know we have found treasure? Am

C
Am

How sinister and how correct

And it was

F
A leap of faith I could not take

G

A promise that I could not make

G
I tore the muscle from your chest

F

G
And used it to stub out cigarettes

F

G
I listened to your screams of pleasure

F

G
Now watched the bed sheets turn blood red
