C5

Cast your mind back to the days,

F5

When I pretend I was OK.

A5

I had so very much to say,

G5

About my crazy livin .

C5

Now that I ve stared into the void,

F5

So many people, I ve annoyed.

A5

I have to find a middle way,

G5

A better way of livin .

C5

So I haven t given up,

F5

That all my choices, my good luck...

A5

Appear to go and get me stuck,

G5

In an open prison.

C5

Now I am tryin to break free,

F5

In a state of empathy.

A5

Find the true and enemy,
G5
Eradicate this prison.

C5 **G5**
No-one can take it away from me,

C5 **G5**
And no-one can tear it apart.

D5
Cause a heart that hurts,

F5
Is a heart that works.

D5
A heart that hurts,

F5 **G#5** **G5** **C5**
Is a heart that works.

D5
A heart that hurts,

F5
Is a heart that works.

C5 **G5**
No-one can take it away from me,

C5 **G5**
No-one can tear it apart.

C5 **G5**
Maybe an elaborate fantasy,

C5 **G5**
But it s the perfect place to start.

D5
Cause a heart that hurts,

F5
Is a heart that works.

D5
A heart that hurts,

F5 **G#5** **G5** **C5**
Is a heart that... works.
