

Jackie  
Placebo

Am G  
Jackie left on a cold, dark night telling me he d be home,  
F Am  
he sailed the sea for a hundred years and left me all alone.  
Am G  
Now i ve been dead for twenty years i ve been washing the sand with my ghostly  
tears  
F Am  
Searching the shores for my jackie oooh.  
Am G  
And I remember the day that the young man came said your jackie s gone  
F Am  
He s lost in the rain and i ran to the beach laid me down  
Am G  
You re all wrong, i said as they stared to the sand, that man knows the seas  
F Am  
Like the back of his hand, he ll be back sometime laughing at you.  
Am G  
I ve been waiting all this time, for my man to come take his hand in mine  
G Am  
And lead me away to unseen shores.  
Am G  
i ve been washing the sand with my salty tears searching the shores these long y  
ears  
F Am  
and I walked the sea forevermore  
G Am G  
till I find my jackie oooh,  
Am - G  
jackie oooh,  
Am - G  
jackie oooh,  
Am - G - Am  
jackie ooo-oo-oooh.
