Placebo

**Am** Jackie left on a cold, dark night telling me he d be home,  
**F** he sailed the sea for a hundred years and left me all alone.  
**Am** Now i ve been dead for twenty years i ve been washing the sand with my ghostly  
tears  
**F** Searching the shores for my jackie ooh.  
**Am** And I remember the day that the young man came said your jackie s gone  
**F** He s lost in the rain and i ran to the beach laid me down  
**Am** You re all wrong, i said as they stared to the sand, that man knows the seas  
**F** Like the back of his hand, he ll be back sometime laughing at you.  
**Am** I ve been waiting all this time, for my man to come take his hand in mine  
**G** And lead me away to unseen shores.  
**Am** i ve been washing the sand with my salty tears searching the shores these long y  
ears  
**F** and I walked the sea forevermore  
**G** till I find my jackie ooh,  
**Am - G** jackie ooh,  
**Am - G** jackie ooh,  
**Am - G - Am** jackie ooo-oo-oo.
