

Stupid me, that I could depend on stupid you.

**F5**

And on the tip of my tongue,

**E5**

**F5**

Were, words that always came out all wrong.

**E5**

**F5**

**E5**

Cause they were drowned in Southern Comfort,

**F5**

Left to dry-out in the Sun,

**C5**

The noon-day Sun.

Chorus X2

**G5**

**A5**

Don?t leave me here, to cast through time,

**E5**

**C5**

Without a map, or road sign.

**G5**

**A5**

Don?t leave me here, my guiding light,

**E5**

**F5**

**E5**

Cause I... I... wouldn?t know where to begin.

**F5**

**E5**

I asked the Kings of Medicine.

**F5**

**E5**

But it seems that they?ve lost their powers.

**F5**

**E5**

Now all I?m left with is the hour.

**C5**

**G5**

**A5**

**E5**

Don?t leave me here,

**C5**

**G5**

**A5**

**E5**

Don?t leave me here, oh no-oh,

**E5**

I wouldn?t know where to begin.
