(verse 1)

```
Em                C
It s that desease of the age
                Am
It s that desease that we crave
                G
Alone at the end of the race/rave
    D/F#                Em
We catch the last bus home
```

```
Em                C
Corporate america wakes
                Am
Coffee republic and cakes
                G
We open the latch on the gates
```

D/F#

E

Of the hole that we call our home

(chorus)

Em

C

Protect me from what I want

Am

Protect me from what I want

G

Protect me from what I want

D/F#

Protect me, protect me

(verse 2)

Maybe we re victims of fate

Remember when we d celebrate

We d drink and get high until late

And now we re all alone

Wedding bells ain t gonna chime

With both of us guilty of crime

And both of us sentenced to time

And now we re all alone
