

Pure morning
Placebo

A friend in need s a friend indeed, a friend with weed is better
A friend with breasts and all the rest, a friend who s dressed in leather
A friend in need s a friend indeed, a friend who ll tease is better
Our thoughts compressed which makes us blessed and makes for stormy weather
A friend in need s a friend indeed, my Japanese is better
And when she s pressed she will undress and then she s boxing clever
A friend in need s a friend indeed, a friend who bleeds is better
My friend confessed she passed the test and we will never sever
Days dawning, skins crawling, pure morning
