

Pure morning

Placebo

A friend in need s a friend indeed, a friend with weed is better  
A friend with breasts and all the rest, a friend who s dressed in leather  
A friend in need s a friend indeed, a friend who ll tease is better  
Our thoughts compressed which makes us blessed and makes for stormy weather  
A friend in need s a friend indeed, my Japanese is better  
And when she s pressed she will undress and then she s boxing clever  
A friend in need s a friend indeed, a friend who bleeds is better  
My friend confessed she passed the test and we will never sever  
Days dawning, skins crawling, pure morning
