

Song To Say Goodbye

Placebo

Am C G

You are one of god s mistakes, you crying tragic waste of skin
I m well aware of how it aches and you still won t let me in.
Now I m breaking down your door to try and save your swollen face
Though I don t like you anymore you lying trying waste of space
You were mother nature s son, someone to whom I could relate
You re needle and your damage done remains a sorted twisted of fate
Now I m trying to wake you up to pull you from the liquid sky
Cause if I don t we ll both end up with just your songs that say goodbye

Am C G

My oh my, a song to say goodbye
A song to say
