

Christmas Wont Be The Same Without You
Plain White T's

I was kinda shocked to see there were no chords for this song, so I figured why not make some for it since I love this song, and I was hearing Christmas music in the store c: Happy Holidays guys, enjoy the chords, they might not be perfect but they sound pretty good, and this is my first chord so yep, it may be a little off.

No capo.

Standard tuning. The A at the end of each line is somewhat optional but I think it sounds better that way.
