

Havent Told Her
Plain White T's

Intro: E A E A

E A
She hit me like a blinding light and I was born
E A
And gravity won't keep my feet down anymore
C#m B
If you've seen her then you'd understand

E A
An angel in my, the way she moves
E A
She could make your heart beat faster than you knew
C#m B
She's got a smile that can shake you, vibe that can break you
E A
Eyes that can bring the heat
C#m B
But there's just one thing that I haven't told her

E
I know I love her but I'm tongue tied
B C#m
I wanna wait until the moment's right

I don't wanna lose her
A B
There's just one thing that I haven't told her

E A
Well, I've been holding back so much I'm in reverse
E A
And buying her that drugstore diamond made it worse
C#m B
Like the silver on her skin stood for something; a promise

E A
I don't wanna burn out quick if she's the one
E A
Like the fire in between a bullet and the gun
C#m B
Because she's brighter than Vegas, hotter than Hades
E A
Cool enough to make you freeze

C#m **B**
But there s just one thing that I haven t told her

E
I know I love her but I m tongue tied

B **C#m**
I wanna wait until the moment s right

I don t wanna lose her

A **B**
But there s just one thing that I haven t told her)

E
She s got me higher than a satellite

B **C#m**
She makes everything all right

I don t wanna lose her

A **B**
But there s just one thing that I haven t told her

C#m
Do you know what you do to me?

A
I ve been captured, waiting for the rapture

C#m **A**
Am I just a fool to believe this is it, this is it?

E
So tell me that you feel the same

C#m
Can we say what we wanna say?

E **B**
Cause there s just one thing that I haven t told her

E
I know I love her but I m tongue tied

B **C#m**
I wanna wait until the moment s right

I don t wanna lose her

A **B**
But there s just one thing that I haven t told her

E
She s got me higher than a satellite

B **C#m**
She makes everything all right

But I don t wanna lose her

A **B**
But there s just one thing that I haven t told her

E

A

She hit me like a blinding light and I was born
