

If I Told You
Plain White T's

A* = Barre Chord

Verse:

C#m
If I told you I loved you
A **E**
Would it move you enough
A* **G#**
To even act as though you've heard?
C#m
If I said I was leavin'
A **E**
Would you still find a reason
A* **G#**
To ignore my every word?

Pre-Chorus:

A*
Cause I'm the one who waits here for you,
C#m
I'm the one who'll always adore you,
A*
I'm the one who is dying for your cause,

chorus goes like this:

do you care at all? x3

Verse:

(same chords)
If I told you to meet me in the city this evening,
Would you even think to come?
Everyone would be hearing my intentions of prolonging,
Your easy when your numb.

Pre-Chorus:

Cause I'm the one who waits here for you,
I'm the one who'll always adore you,
I'm the one who sees right through it all.

Chorus:

Do you care at all? x3

Bridge: x2

A*

If I told you,

G# **C#m**

Would you care?

A*

If I told you,

G# **A*** **B** (ninth fret)

Would you still never be there?

Verse:

If I told you,

I need you,

Would you still not agree to even offer me your hand?

If I said I was dying,

Would you keep on denying my attempts to be your man,

Pre-chorus:

Cause I m the one who waits here for you,

I m the one who ll always adore you,

I m the one who ll catch you when you fall.

Chorus:

Do you care at all? x8
