Be My Vision
Planetshakers

[Intro] **E G#m A E G#m A**

E   G#m A   C#m   A
 Be my vision   when the waves are closing in
E   G#m A
 Keep my vocus
        C#m   A
On the peace You breathe with in
        C#m   G#m   A
And my heart will fear no more
      C#m   E   B
As I turn to face you Lord

[Refrão]

A
Take this life, let glory and majesty
B
Flood my eyes
                    C#m
Lord overwhelm me till all that I want
    E/G#   A
And all that I see is You
                    E   G#m A E   G#m A
And all that I see is You

E   G#m A   C#m   A
 Be my vision   when I reach life´s greatest day
E   G#m A
 Give me wisdom
            C#m   A
That I would humble my self and pray
            C#m G#m   A
 Teach my heart to   lean on you
      C#m   E   B
Lord in every thing I do

[Refrão]

A
Take this life, let glory and majesty
B
Flood my eyes
                    C#m
Lord overwhelm me till all that I want
    E/G#   A
And all that I see is You

A
Step by step, Jesus I´ll follow you
B
Breath by breath, Lord I will worship you
C#m
Burn in my heart
     E/G#   **A**
Till all that I see is you

A
Take this life, let glory and majesty
B
Flood my eyes
                         C#m
Lord overwhelm me till all that I want
    E/G#   **A**
And all that I see is You

A
Step by step, Jesus I´ll follow you
B
Breath by breath, Lord I will worship you
C#m
Burn in my heart
     E/G#   **A**
Till all that I see is you

                         A
Till all that I see is you
                         B
Till all that I see is you
                         C#m
Till all that I see is you
E/G# A
Je   sus

                         A
Till all that I see is you
                         B
Till all that I see is you
                      C#m
Till all that I see is you
E/G# A
Je   sus

[Ponte]

E   **B**
 I can see you now
E/G#   **A**
 I can see you now
               F#m   **E**
Lord you are here with me

```
                        C#m   B
You´re present in e very thing

E               B
 So I lift my voice
        E/G#                  A
I have resolved to serve You Lord
          F#m    E
Jesus be all I see
            C#m   B
Jesus in e very thing

E               B
 I can see you now
E/G#              A
 I can see you now
            F#m        E
Lord you are here with me
                    C#m   B
You´re present in e very thing

E               B
 So I lift my voice
        E/G#                  A
I have resolved to serve You Lord
          F#m    E
Jesus be all I see
            C#m   B
Jesus in e very thing

[Refrão]

A
Take this life, let glory and majesty
B
Flood my eyes
                      C#m
Lord overwhelm me till all that I want
    E/G#                A
And all that I see is You

A
Step by step, Jesus I´ll follow you
B
Breath by breath, Lord I will worship you
C#m
Burn in my heart
      E/G#                 A
Till all that I see is you

                      A
Till all that I see is you
                      B
```

```
Till all that I see is you
                        C#m
Till all that I see is you
E/G# A
Je   sus
                        A
Till all that I see is you
                        B
Till all that I see is you
                        C#m
Till all that I see is you
E/G# A
Je   sus
```
