VERSE
```
C                                Am7
You saved me, You set me free
                              F
You healed me, You made me see

You set me free  C/E  F Am7 G

C                           Am7
You give me all that I need
                         F
You give me life abundantly
                 C/E      F        Am7       G
You set me free
```

PRE-CHORUS
```
Dm7                 F                Dm7                        F
All I wanna do is praise You, â€˜cause you set me free
```

CHORUS
```
C                        G                          Am7          F
Youâ€™re my savior You have set me free forever
                     C                 Bb/D
It is by Your grace and power
                         C/E      F        Am7       G
That You have set me free
C                        G              Am7              F
You are the way, I will live for You all my days
                  C                 Bb/D
Never will I hold back my praise
                         C/E      F        Am7       G
 â€˜cause you have set me free
```
