

Bye Bye Bye
Plants and Animals

By Plants and Animals
<http://www.plantsandanimals.ca/>

What s gonna happen to you
F Dm

You have woke up too soon
G C

And found the world rearranged
F Dm

And now your feelings have changed
G C

Say goodbye to before. (bye bye bye)
F F/E Dm

You are not welcome anymore
G C

The door s been shown to you (bye bye bye)
F F/E Dm

But only if you go through
G C

You run into the night
F Dm

No sound, no vision, no sight
G C

And no words to explain
F

just smell times of change
Dm G C

Whats gonna happen to you (bye bye bye)
F F/E Dm

You have woke up too soon
G C

And the world is rearranged (bye bye bye)
F F/E Dm

And now your feelings have changed
G Am Am/B Am/C Am/D

Oh, today I saw a shadow
Em E Am Am/B

And I had the feeling there would be another.
Am/C Am/D Em E Am Am/B

One in the wintertime and one in the summer
Am/C Am/D Em Bb F C

F F/E Dm G
(bye bye bye)

C F
When the river was still
Dm G
We would not help ourselves
C F
It s very easy to do
Dm G
And we never needed to

C F F/E Dm
And the birds so high (bye bye bye)
G C
Started a fire in the forest
F F/E Dm
Can you remember the day (bye bye bye)
G
We had to separate

C F
And nobody knows
Dm G
What s tearing us apart
C F
Cause we re part of one another
Dm G
A son and a father and a mother and a brother

C F F/E Dm
When the river was still (bye bye bye)
G
We would not help ourselves
C F F/E Dm
It s very easy to do (bye bye bye)
G Am Am/B Am/C Am/D
We never needed to

Em E Am Am/B
Oh, today I saw a flower
Am/C Am/D Em E Am Am/B
And I had the feeling there would be another.
Am/C Am/D Em E
One in the wintertime and one in the summer

A D
Whats gonna happen to you
G C
What s gonna happen to you
F Dm
What s going to happen
Bb G

What s going to happen

C **F**
What s going to happen to you

Dm **G**
You have woke up too soon

C **F**
What s going to happen to you

Dm **G**
You have woke up too soonWhat s going to happen to you

C **F**
What s going to happen to you

Dm **G** **F**
You have woke up too soon

F **F/E** **Dm** **G**
Bye bye bye...

--

Am Am/B Am/C Am/D riff is basically done on the A string

A--0--2--3--5
