

**Creep Show**

**Plastique Noir**

[D, D#]

Hey ho, girls and boys  
You are welcome to this carnival  
Maybe you had listened  
A whispered calling  
Inside your dreams

Let me introduce myself  
My name is Doktor Josef M.  
For long years I was  
Developing a lot of funny toys  
For you [?]

[F#m, F, D#]

Welcome to the creep show (2x)  
Carnage carnival of body and soul

(chorus)

[F#m, F, D#]

Welcome to the creep show  
Nobody leaves until it s done  
Welcome to the creep show  
It will never have dawn again (2x)

[D, D#]

Where my pets that born by profane  
Crossings that I engineered  
Grants fun for everybody  
Through the rest of this obscene night

[D, D#]

So dance by the most sensual way  
With several kinds of innocent freaks  
I m the manipulator of puppets  
and will take you to the existential shame  
Under a bloody moon [...]

[F#m, F, D#]

Welcome to the creep show (2x)  
Carnage carnival of body and soul

(repeat chorus)

[D, D#]

I didn t care about the ethics  
My tries to be god, god only knows  
But it s not possible to keep violated  
creatures under complete control

(repeat chorus)

Welcome to the creep show (8x)
