**C#** **A**  
It s been a hard day in the city

**F#m** **B** **C#**  
It affects you in the most peculiar way

**A**  
Dull day don t seem pretty

**F#m** **B** **A**  
We ve said all that there is to say

**G#**  
And if you were to ask me questions

**C#** **F#** **A**  
You don t really want to know

**B** **C#** **A**  
Your concern is just for show

**F#m** **B**  
just for show oh oh oh

**C#** **A**  
Your name s a number, just press a button

**F#m** **B**  
Your memories lost but they ve not forgotten

**C#** **A**  
They try to break our lust for passion

**F#m** **B** **A**  
They try to tell us that it s not in fashion

**G#**  
And if you were to ask me questions

**C#** **F#** **A**  
What are we fighting-for?

**B**  
We re just breaking down the door

(Chorus)

It doesn't really matter

**F#m**                      **B**              **C#**                      **A**

It doesn't really matter matter matter matter matter matter

**F#**                      **B**                      **C#**

Matter matter matter matter matter matter Etc Etc.
