

Lets Dont Worry
Playing For Change

E2

Let s don t worry, my brothers - in this world we are all the same

B

We must find peace

E2

A

We must find it together - it s not far away from your heart

E2

B

E2

We got the good vibrations

Let your heart follow the rhythm when the voice give you emotion

You have to feel peace

When the bird fly away in the sky - when you walk, sing what you like

You got the good sensation
