This song says, no matter who you are,  
No matter where you go in your life  
At some point you re going to need  
Somebody to stand by you.

Oh yeah! Oh my darlin Stand by me!

	<b>C#</b>	<b>Bbm</b>
No matter who your are, no matter where you go in life		

	<b>F#</b>	<b>Ab</b>	<b>C#</b>
You gon need somebody, to stand by you.			
No matter how much money you got, or the friends you got,			
You gon need somebody, to stand by you			

When the night has come, and the way is dark,  
And that moon is the only light you see.  
No I won t be afraid, no I-I-I won t be afraid  
Just as long as the people come and stand by me.

Darlin darlin stand by me, Ooo stand by me Oh stand  
Stand stand by me C mon stand by me stand by me

If the sky that we look upon  
Well should tumble and fall  
And the mountains should crumble to the sea  
I won t cry, I won t cry, no I won t she d a tear  
Just as long as you stand, stand by me

Oh darling, darling stand by me, oh stand by me,  
Oh please stand, stand by me, stand by me.

Oh darling, darling stand by me, ohh stand by me,  
Please stand, stand by me, stand by me.  
Ohhh baby, baby... (interlude)

Oh darlin darlin stand la la nomie

Ooo stand la la nomie, O stand O stand stand  
Stand by me c mon stand by me, stand by me.  
Stand la la nomie, oh won t you stand, la la nomie,  
Oh stand la la nomie, stand by me, c mon stand by me.

When the night has come, and the way is dark  
And the moon, is the only light you see  
I won t be afraid, lala nomie, I won t be afraid  
Not as long, not as long as you stand by me.
