KEEP ON FIGHTING

**Am** **G**  
Tell me why, why people die  
**Am**  
why people scream  
**G**  
they just want bright reality.  
**Am** **G**  
No brutality mister no, no, no  
**Am** **G**  
you can come but you can t go  
**Am**  
Political lies  
**Am** **G**  
all those descaise  
**Am** **G**  
they don t know but we ve realised.  
**Am** **Dm**  
That so many humans are dying  
**G** **Am**  
so many kids are crying  
**Am** **Dm**  
so why do you keep lying  
**G** **Am**  
you know we will keep on fighting.  
**Am** **G**  
will keep on fighting.

Jah bless the children  
so life wouldn t be forbidden  
Jah bless the future  
so wars would t destroy our culture  
Jah bles the freedom  
and lead us to his kingdom  
Jah bless the peace  
and let bullets be replaced with kiss.
