[Verse 2]
                                             F
Dm.
                 Bb.
You re the light inside my eyes
                                                     F
You give me a reason to keep trying
                                                       F
Dm.
                     Bb.
You give me more than I could dream
                C.
                                             Dm
And you bring me to my knees

                                               F
                                 F.
You bring me to my knees
          Dm.
                                         Вb
Your heart is gold and how am I the one
F.
                                           C
That you ve chosen to love
                                          Bb
I still can t believe that you re right next to me
After all that I ve done
[Chorus]
                                    F
              Bb.
I don t deserve your love
                                      С
                Dm.
But you give it to me anyway
             Bb.
Can t get enough
                                    C
You re everything I need
                                   Dm
And when I walk away
         F.
                                                   C.
You take off running and come right after me
It s what you do
                                         Dm.
And I don t deserve you
[Bridge]
I don t deserve a chance like this
                                                                       F
Bb.
I don t deserve a love that gives me everything
You re everything I want
[Chorus]
I don t deserve your love
                                      C
                 Dm.
But you give it to me anyway
