[Verse 2:]

Can we make a searchlight
From all the bridges that we burn?
Do you see a rescue
Or a deeper kind of hurt?

Who could love you?
Who could hold you?
I d swim across the sea.
You don t have to be alone
Where the shallow gets so deep.

[Chorus:]
You might be drifting
And can t find the shore,
So Hopeless
And all alone.
The waves are crashing
All around you.
Just when you ve lost the will to live
You see the sun.

[Bridge:]

C

I am hurt and nearly drown.
Open up your eyes.

D

I cry for help. You turn around.
Open up your eyes.

Em

Farther from the shore,

A

Or you ll be farther from the shore.

C

I am hurt and nearly drown.
You re not alone.

D

I cry for help. You turn around.
I m not letting go.

Em

Farther from the shore,
So you re not

A

Farther from the shore.

[Chorus:]

You might be drifting
And can t find the shore,
So Hopeless
And all alone.
The waves are crashing
All around you.
Just when you ve lost the will to live
You see the sun.
