

Real Life
Plumb

CAPO 4

VERSE 1

C
You ran around inside my head,
C **G**
when you passed out, I felt dead,
F **C**
and I realized you make me live,
C
And when my world starts to cave in,
C **G**
You jump inside and take my hand...
F **C**
No matter where, you are there....

BRIDGE 1

Am
Will I ever see what you could see in me,
F **C**
Or do I just believe that we will always be and dream.
Am
I will never be the same and when they say
F **C** **G**
That you and me were meant to be they ll just believe why we are together.

CHORUS

C
You are my light, You are my star,
C **Am**
You are my sunshine and my dark,
G
You are the everything I dreamed about
C
You are the guy who stole my heart
C **Am**
I am the girl you re always fighting for
G
We have the love people dream about
Am **F**
A real life fairy tale

VERSE 2

C
I thought that I would be alone,
C **G**
You caught my eye and I was home,

F **C**
I realized this is love.
C
I see the world with different eyes,
C **G**
I look at you by my side,
F **C**
No matter where you are always there.
