Forever - Plus One

Yeh you probably won't read this but, I did this because I couldn't find the tabs for this song anywhere on the internet, and that was annoying, so I did it by ear. I absolutely love this song.

It's the song that reminds me of the girl who first introduced me to it. She's a great girl this is dedicated to you. Btw this is my first tab. ^^

If there's anything wrong with it email me at dave_is_asian@hotmail.com
Also e-mail me if you want to put it on your site. Enjoy! :p
