**Am** **Dm**  
I know that lately things have been so hard  
**Am** **Dm**  
And looking out over your broken heart,  
**F** **E** **Am**  
All you can see is dark and lonely days ahead  
**F** **E**  
But remember Jesus said

**F** **G**  
He knows every star in the sky  
**E** **Am**  
Every single tear that you cry  
**F** **C** **G**  
His love is here faithful and alive  
**F** **G**  
I know that this world can be cold  
**E** **Am**  
In his arms your never alone  
**F** **G** **C**  
That's his promise to you and I

**Am** **Dm**  
When hope has disappeared and your heart aches  
**Am** **Dm**  
You might not recognize the touch of grace  
**Fm** **E** **Am**  
But on the other side of every dying dream  
**F** **E**  
His love is waiting patiently
