

The Goodbye Girl
Pluto

B

I put down the phone

And feel more alone

Abm

Than I did before it rang

F#

E

And you were there. (Yeah Yeah)

B

I go back to bed

And those things you said

Abm

Run around inside my head

F#

E

And I can't sleep. (Oh No)

Chorus:

B

Don't say goodbye to the Goodbye Girl

E

Just say see you soon

B

I say goodbye to the Goodbye Girl

E

And it's our nineteenth honeymoon.

B

So I'm late for work

And you're such a jerk

But I can't stay mad

Abm

F#

E

Cause you're so far away. (Hey Hey)

B

So I'm home again

I'm alone again

But I only feel

Abm

F#

E

Remotely in control. (Whoa Whoa)

E

B

I don't even know her name

E

Don't know when I'll get a

F#

E

Chance to talk to her again

Chorus:

B

Don't say goodbye to the Goodbye Girl

E

Just say see you soon

B

I say goodbye to the Goodbye Girl

E

And it's our nineteenth honeymoon.

B

Pay telephone from a twilight zone

E

And I'm hanging on the line

B

I fell in love with the Goodbye Girl

E

Now I'll never say goodbye.

B

(hey hey)

First tab, couldn't find it anywhere on the web so I made one. I think it's pretty close, it's a pretty basic song. Sounds decent when I play it on my acoustic. Just thought I'd post it as I've gotten so much from this site especially. Thanks peeps, enjoy :)
