

Heartbreak Down

P!nk

VERSE

A **E**
I like to think that I m a pretty good kisser
F#m **D**
I like to think I maybe broke a few hearts
A **E**
But since I met you I m a victim of disaster
F#m **D**
I like to think I got it down to an art

Bm **E** **Bm**
So here s where the problem starts
E **D**
You re shitting on my heart
E **D**
Oh I can t take it again and again and again

CHORUS

A **E**
All I wanted from you
D **Bm**
Was a night maybe two
A
You beat me at my own game
E
No, it s not okay
D
I m the one that s missing out
A **E**
All I needed to do
D **Bm**
Was get just a taste of you
A
And now I m sick all in my head
E
You poisoned me instead
Bm **A**
Trust me, trust me, I think I got heartbreak down

VERSE

E
I like to wake and go to bed around whenever
F#m **D**

I like to maybe come and go when I choose

A **E**

But now I m waiting for a text, call, whatever

F#m **D**

What s gotten into me, besides you (Oops!)

A **E**

You re like a rush, you re like a drug, it s just the sight of you

F#m **D**

I like to think that I could kick you but it s what you do

A

When you wink at me

E

What s the lord think of me

F#m **D**

For being so fucking weak, I find it hard for me to breathe

Bm **E** **Bm**

So here s where my story ends

E **D**

I got to make amends

E

I let me down

D **E**

Again and again and again and again

CHORUS

A **E**

All I wanted from you

D **Bm**

Was a night maybe two

A

You beat me at my own game

E

No, it s not okay

D

I m the one who s missing out

A **E**

All I needed to do

D **Bm**

Was get just a taste of you

A

And now I m sick all in my head

E

You poisoned me instead

Bm **A**

Trust me, trust me, I think I got heartbreak down

BRIDGE

E **D**

Here s what we have to do

E **Bm**
Stay together, keep it true
E **D**
Can't be strong too late for cool
E
I won't live without you

(You are not rid of me!)

CHORUS

A **E**
All I wanted from you
D **Bm**
Was a night maybe two
A
You beat me at my own game
E
No, it's not okay
D
I'm the one that's missing out
A **E**
All I needed to do
D **Bm**
Was get just a taste of you
A
And now I'm sick all in my head
E
You poisoned me instead
Bm **A**
Trust me, trust me, I think I got heartbreak down
