

Heartbreaker

P!nk

This should be correct and in the same key as the original recording. I transposed

this from the other Heartbreaker that someone had posted. Hopefully this 1. Sounds more like the original and 2. Is easier to play! Hope you like it!

CAPO 2

Bm **A**
I keep thinkin bout that little sparkle in your eye
G **A**
Is it a light from the angels, or your devil deep inside?
Bm **A**
What about the way you say you love me all the time
G **A**
Are you liftin me up to heaven, just to drop me down the line?

G
There s a ring around my finger,
A
But will you change your mind?
G
And you tell me that I m beautiful,
A
But that could be a lie

Bm G A
Are you a heartbreaker?
G A
Maybe you want me for the ride
Bm G A
What if I m fallin for a heartbreaker?
E G
And everything is just a lie
Bm G
I won t be leavin here alive
Bm A
I won t be leavin here alive, no

Bm **A**
Temporary happiness is like waiting for the knife
G **A**
Cause I m always watchin for someone to show their darker side
Bm **A**
So maybe I ll sit back and just enjoy all this for now
G **A**
Watch it all play out, see if you really stick around

G
But there s always this one question
A
That keeps me up at night
G
Are you my greatest love
A
Or disappointment in my life?

Bm G A
Are you a heartbreaker?
G A
Maybe you want me for the ride
Bm G A
What if I m fallin for a heartbreaker?
E G
And everything is just a lie
Bm G
I won t be leavin here alive
Bm A
I might as well lay down and die

E G E G A
I m holding on with both hands and both feet, oh
E G E G A
Promise that you won t pull the rug out from under me

Bm G A
Are you a heartbreaker?
G A
Maybe you want me for the ride
Bm G A
I pray to god you re not a heartbreaker
E G
This time around I won t survive
Bm G A

Cause if I m fallin for a heartbreaker

E G

And everything is just a lie

E G

I won t be leavin here alive

E G

I might as well lay down and die, oh

Bm G Bm A

I won t be leavin here alive
