CAPO 1st FRET

[Verse]

G

I donâ€™t mind it

Em **Bm** **C**

I donâ€™t mind at all

G

Itâ€™s like youâ€™re the swing set

Em **Bm** **C**

And Iâ€™m the kid that falls

C **D** **Em**

Itâ€™s like the way we fight

D **C**

The times Iâ€™ve cried

D **Em**

We come to blows

D **C**

And every night

D **Em**

The passionâ€™s there

D **Am**

So itâ€™s got to be right

D

Right?

[Chorus]

G **Em**

No I donâ€™t believe you

C **D** **G**

When you say donâ€™t come around here no more

G **Em**

I wonâ€™t remind you

C **D**
You said we wouldn't be apart
G **Em**
No I don't believe you
C **D** **G**
When you say you don't need me anymore
G **Em**
So don't pretend to
C **D**
Not love me at all

[Verse]

G
I don't mind it
Em **Bm** **C**
I still don't mind at all
G
It's like one of those bad dreams
Em **Bm** **C**
When you can't wake up
C **D** **Em**
Looks like you've given up
D **C**
You've had enough
D **Em**
But I want more
D **C**
No I won't stop
D **Em**
Cause I just know
D **Am**
You'll come around
D
Right?

[Chorus]

G **Em**
No I don't believe you
C **D** **G**
When you say don't come around here no more
G **Em**
I won't remind you
C **D**
You said we wouldn't be apart
G **Em**
No I don't believe you
C **D** **G**
When you say you don't need me anymore
G **Em**
So don't pretend to
C **D**

Not love me at all

[Bridge]
