C **G** **Em**
I d conjure up the thought of being gone
C **G** **Em**
But I d probably even do that wrong
C **G** **Em**
I try to think about which way
C **G** **Em**
Would I be able to and would I be afraid
C **G** **Em**
Cause oh I m bleeding out inside
C **G** **Em**
Oh I don t even mind (yeah)

C **G**
It s all your fault
B **Em**
You called me beautiful
C **G**
You turned me out
B **Em**
And now I can t turn back
C **G**
I hold my breath
B **Em**
Because you were perfect
C **G**
But I m running out of air
B **Em**
And it s not fair
C **G** **Em** X2
Da da dada da dada da
Da dadadadadada da dadadadadada
C **G** **Em**
I m trying to figure out what else to say (what else could I say?)
C **G** **Em**
To make you turn around and come back this way
(Would you just come back this way)

C **G** **Em**
I feel like we could be really awesome together
C **G** **Em**
So make up your mind cause it s now or never (oh)

Em **C** **G**
But I ve cried wolf a thousand times
Em **B**
I wish you could
Em
Feel as bad as I do
C **G**
I have lost my mind

C **G**
It s all your fault
B **Em**
You called me beautiful
C **G**
You turned me out
B **Em**
And now I can t turn back
C **G**
I hold (I hold) my breath (my breath)
B **Em**
Because you were perfect
C **G**
But I m running out of air (running out of air)
B **Em**
And it s not fair

(Oh yeah
It s all your fault)
C **G**
I hold my breath
B **Em**
Because you were perfect
C **G**
