

## Lonely Girl

P!nk

Artist: Pink ft. Linda Perry  
Song: Lonely Girl  
Album: Missundaztood (2001)  
tabbed by: gran.gizmo@web.de

The tuning is kinda tricky, you have to tune up your guitar a quarter(!) step to be able to play along with the record. I think this is the best song on Missundaztood, so it is worth the effort.

Intro: **Gm Bb Eb Cm**

**Gm**

I can remember

**Bb**

The very first time I cried

**Eb**

How I wiped my eyes

**Cm**

And buried the pain inside

**Gm**

All of my memories

**Bb**

Good and bad that s passed

**Eb**

**Cm**

Didn t even take the time to realize

**Cm**

**Eb**

Staring at the cracks in the walls

**Bb**

Cause I m waiting for it all to come to an end

**Cm**

**Eb**

Still I curl up right under the bed

**Bb**

Cause it s takin over my head

All over again...

Chorus:

**Ab**

**Eb**

**Fm**

Do you even know who you are?

**Ab**

I guess I m trying to find

**Eb**

**Fm**

A borrowed dream or a superstar?

**Ab**

I want to be a star

**Eb**

**Fm**

Is life good to you, or is it bad?

**Ab**

I can't tell anymore

**Eb**

**Bb**

Do you even know what you have?

**Gm**

Lying awake

**Bb**

Watching the sunlight

**Eb**

How the birds will sing

**Cm**

As I count the rings around my eyes

**Gm**

Constantly pushing

**Bb**

The world I know aside

**Eb**

I don't even feel the pain

**Cm**

I don't even want to try

**Cm**

**Eb**

I'm looking for a way to become

**Bb**

The person that I dreamt up

When I was 16

**Cm**

**Eb**

Oh, nothing is ever enough

**Bb**

Ooh, baby it ain't enough

Or what it may seem

Chorus:

**Ab**

**Eb**

**Fm**

Do you even know who you are?

**Ab**

I'm still trying to find

**Eb**

**Fm**

A borrowed dream or a superstar?

**Ab**

Everybody wants to be

**Eb**

**Fm**

Is life good to you, or is it bad?

**Ab**

I can t tell anymore

**Bb**

Do you even know what you have?

No

**Eb**

Sorry girl

**Bb**

Tell a tale for me

**Cm**

Cause I m wondering

How you really feel

**Eb**

I m a lonely girl

**Bb**

I ll tell a tale for you

**Cm**

Cause I m just trying to make

All my dreams come true

Chorus:

**Ab**

**Eb**

**Fm**

Do you even know who you are?

Oh yeah, yeah

**Ab**

**Eb**

**Fm**

A borrowed dream or a superstar?

**Ab**

Oh, I wanted to be a star

**Eb**

**Fm**

Is life good to you, or is it bad?

**Ab**

I can t tell, I can t tell anymore

**Eb**

**Fm**

Do you even know what you have?

**Ab**

I guess not, I guess not

**Eb**

**Fm**

Do you even know who you are?

**Ab**

I m trying to find

**Eb**

**Fm**

A rising dream, or a falling star?

**Ab**

Oh, I have all these dreams

**Eb** **Fm**  
Is life good to you or is it bad?

**Ab**  
I can't tell anymore

**Eb** **Fm**  
Do you even know what you have?

Oh, no, no.

(fade out)

CHORDS: (remember the special tuning!)

```
|----3----6----6----3-----4-----8-----1-----|
|----3----6----8----4-----4-----9-----1-----|
|----3----7----8----5-----5-----10-----1-----|
|----5----8----8----5-----6-----10--or--3-----|
|----5----8----6----3-----6-----8-----3-----|
|----3----6----x----x-----4-----x-----1-----|
Gm Bb Eb Cm Ab Fm Fm
```

=====  
This song is not as difficult as it looks, but it surely requires some practice.
