

Sober
P!nk

[Verse]

I don t wanna be the girl who laughs the loudest
Or the girl who never wants to be alone
I don t wanna be that call at 4 o clock in the morning
Cos I m the only one you know in the world that won t be home
A-----h the sun is blinding
I---- stayed up again
O----h, I am finding
That s not the way I want my story to end

[Chorus]

I m safe
Up high
Nothing can touch me
But why do I feel this party s over?
No pain
Inside
You re like perfection
How do I feel this good sober?

[Verse]

I don t wanna be the girl who has to fill the silence
The quiet scares me cause it screams the truth
Please don t tell me that we had that conversation
I won t remember, save your breath, cos what s the use?

A----h, the night is calling?

E C G D

And it whispers to me softly come and play

E C G D

A----h, I am falling

E C G D

And If I let myself go I m the only one to blame

[Chorus]

E C

I m coming down, coming down, coming down

G D

Spinning round, spinning round, spinning round

E C G D

Looking for myself - SOBER [x2]

[Verse]

E C G D

When it s good, then it s good, it s so good till it goes bad

E C G D

Till you re trying to find the you that you once had

E C G D

I have heard myself cry, never again

E C G D

Broken down in agony just trying find a fit

[Chorus] x2

E--C--G--D (for the rest)

Will I ever feel this good sober?

Tell me, No no no no no pain

How do i feel this good sober?
