

**Sober**  
**P!nk**

[Verse]

I don t wanna be the girl who laughs the loudest  
Or the girl who never wants to be alone  
I don t wanna be that call at 4 o clock in the morning  
Cos I m the only one you know in the world that won t be home  
A-----h the sun is blinding  
I---- stayed up again  
O----h, I am finding  
That s not the way I want my story to end

[Chorus]

I m safe  
Up high  
Nothing can touch me  
But why do I feel this party s over?  
No pain  
Inside  
You re like perfection  
How do I feel this good sober?

[Verse]

I don t wanna be the girl who has to fill the silence  
The quiet scares me cause it screams the truth  
Please don t tell me that we had that conversation  
I won t remember, save your breath, cos what s the use?  
I won t remember, save your breath, cos what s the use?

A---h, the night is calling?

**F C# G# Eb**

And it whispers to me softly come and play

**F C# G# Eb**

A---h, I am falling

**F C# G# Eb**

And If I let myself go I m the only one to blame

[Chorus]

**F C#**

I m coming down, coming down, coming down

**G# Eb**

Spinning round, spinning round, spinning round

**F C# G# Eb**

Looking for myself - SOBER [x2]

[Verse]

**F C# G# Eb**

When it s good, then it s good, it s so good till it goes bad

**F C# G# Eb**

Till you re trying to find the you that you once had

**F C# G# Eb**

I have heard myself cry, never again

**F C# G# Eb**

Broken down in agony just trying find a fit

[Chorus] x2

**F--C#--G#--Eb** (for the rest)

Will I ever feel this good sober?

Tell me, No no no no no pain

How do i feel this good sober?
