Verse (same order)

Gonna run

Gonna scream

Gonna crawl round on your knees

When you realize that no one s gonna measure up to me

Doesn t matter cause I m over it now

This is how it goes down

This is how it goes down

I m gonna rage

Stay out really late

I m gonna hang with all my friends you hate

I may try that threesome

Better late than never and

Better without you

This is your future as I see it

You will be homeless, poor, and broken

She will have left you when she finds out who you are

You re nothing but an extra, and baby I m the star

Chorus (same):

I felt the bite

Take a spit

Suck the poison out of me

I ll make you beg

Make you come

To your senses

If you keep up the shit

Take the hit

Dig the grave

This is how it goes down

This is how it goes down

Gonna run

Gonna scream

Gonna crawl round on your knees

When you realize that no one s gonna measure up to me

Doesn t matter cause I m over it now

This is how it goes down

This is how it goes down

I suppose this is how the story goes, but

Ever since that door closed, I ve been going (down, down, down, down)

The drain and the pain got me nauseous (down, down, down)

I should have been more cautious or clever

Whatever, you ll never find a dude with a better headgame, and

You can take that both ways

You laughinâ€™ like I m playinâ€™ wit your fingers up like oh ? (down, down,
down, down)

Wish you would have a threesome without me I pull a O. G. (down, down, down)

And text you something incriminating pictures from my old days

I felt the bite

Take a spit

Suck the poison out of me

I ll make you beg

Make you come

To your senses

If you keep up the shit

Take the hit

Dig the grave

This is how it goes down

This is how it goes down

Gonna run

Gonna scream

Gonna crawl round on your knees

When you realize that no one s gonna measure up to me

Doesn t matter cause I m over it now

This is how it goes down

This is how it goes down

Somebody doesn t like you

Cause you re not such a bigshot dude

Might wanna rethink it through

Coulda asked me, I woulda told you the truth

Somebody doesn t like you

Cause you re not such a bigshot dude

Might wanna rethink it through

Shoulda asked me, I woulda told you the truth
