Tuning: Standard
Capo 2
(No Capo Version below)

Intro: **C#**

C#
I woke up early evening and I knew I was alone
F#
Did the sun come up or did it rain again, Iâ€™ll never know
G# **F#** **C#**
I felt the acid in my stomach rise above my throat as I dialled

C#
There was a message from my mother from about 7a.m.
F#
said Iâ€™ve forgotten what you sound like And Iâ€™m wonderinâ€™ how youâ€™ve
been
G# **F#**
I cried myself to asleep back on the floor
C#
Unconscious in denial

F# **G#**
Life is just a little part of what the world will do
Bbm **Eb**
To get itâ€™s point across it beats you â€™til youâ€™re black & blue
F# **G#**
And decides just when youâ€™re in or when youâ€™re out
C#
â€™Cause when youâ€™re through youâ€™re through

C#
Thereâ€™s a cafÃ© just â€™round the corner from the home I call a house
F#
I sit and play sudoku â€™til I figure some shit out
G# **F#** **C#**
I drink the dayâ€™s first coffee and I smoke the last cigarette of my life

C#
And Iâ€™m wondering out of all the crazy places that Iâ€™ve been

F#
Would it ever be as good as sittinâ€™ here just with a friend?

G# **F#** **C#**
Thatâ€™s always understood it might be time, to switch the coffee to wine

F# **G#**
Life is just a little part of what the world will do
Bbm **Eb**
To get itâ€™s point across it beats you â€™til youâ€™re black & blue
F# **G#**
And decides just when youâ€™re in or when youâ€™re out
C#
â€™Cause when youâ€™re through youâ€™re through

Yeah, Yeah.
Eb
Whoaaaaah, Ohhhh.
F#
Whoaaaaahhhhhh
G# **C#**
Ohhhh, Ohhh, Ohhh.

C#
Janis sings to me just like sheâ€™s sitting by my side
F#
And I wonder just how many times she sat like me and cried
G# **F#** **C#**
Iâ€™ve made it past the age of twenty-seven so thereâ€™s no use in dyinâ€™

C#
And my friends have asked the question: â€œBaby, will you be okay?â€•
F#
I wanna tell them yes â€™cause I know thatâ€™s what I should say
G# **F#** **C#**
But Iâ€™ve got no crystal ball and I canâ€™t bring myself to lie and watch a lie

Hey, yeahhhh - I think thatâ€™|..
F# **G#**
Life is just a little part of what the world will do
Bbm **Eb**
Itâ€™s brings us to the brink and beats the shit right outta you
F# **G#**
And decides just when youâ€™re in or when youâ€™re out
C#

â€˜Cause when youâ€™re through youâ€™re through

Yeah, Yeah, Yeah

F# **G#**
Life is just a little part of what the world will do
Bbm **Eb**
Itâ€™s brings us to the brink and beats the shit right outta you
F# **G#**
And decides just when youâ€™re in or when youâ€™re out
C#
â€˜Cause when youâ€™re through youâ€™re through

Ayyye, Oh.
I guess Iâ€™m through
Mmmmm
When youâ€™re through, youâ€™re through.
