You Better Think Twice - POCO
Capo 2nd Fret
GUITAR INTRO

F# C#
You better think twice, About leaving me behind
B F#
Make up your mind, About what you re gonna do
F# C#
You know it ain t easy, When your love hurts night and day
B F#
Oh, how you please, When I hear you call my name

F# B
Breathlessly, I await the moment to surround you,
B F# B
Do not fear the song that makes you sing
F# C# B G#
It will offer you wings, to fly away, But do expect to land if you can t
B F#
stay

F# C#
You better think twice, About leaving me behind
B F#
Make up your mind, About what you re gonna do
F# C#
You take my advice, Oh woman, you got to choose
B F#
Take a little time, You got nothing more to lose

GUITAR BREAK

F# B F#
In time, you know my melody will haunt you, Your words can make it rhyme so
B
easily
F# C# B G#
It ain t no sin, when love is real, So come on and let me know just how you
B F#
feel

GUITAR RIFF

F# C#
You better think twice, About leaving me behind
B F#
Make up your mind, About what you re gonna do
F# C#
You take my advice, Oh woman, you got to choose

B

F#

Take a little time, You got nothing more to lose

GUITAR BREAK ENDING

The capo on the second fret helps make playing the lead riffs easier. There is a second

guitar playing a dual lead in some parts.

This has been ear transcribed by me personally.

I tried to make the chords line up with the word in the song that the chord change occurs.
