I can still see the light at the end of the tunnel shine,-----|  
 Through the dark times even when I lose my mind. |  
 But it feels like no one in the world is listenin, |  
 and I can t ever seem to make the right decisions. Intro (1º Riff)

I walk around in the same haze, I m still caught in my same ways. |  
 I m losing time in these strange days, |  
 but somehow I always know the right things to say.-----|

 or who s the one to blame for this. |  
 Do i believe what i can t see? |  
 and how do you know which way the wind blows? 2º Riff  
 Cause i can feel it all around, |

I m lost between the sound. |  
And just when I think I know, there she goes.-----|
