Intro : [Am][G][Fm]x2

Time[Am]goes by,
And[G]God knows i try,
To carry[Fm]on with life,
De[G]cide not to hide the feelings inside,
Even th[Am]ough they hurt some[G]times,
I still forget to remember you,
[Fm]It s easy too[G],
Lock away these pains don t wanna re[Am]live it through,
But i[G]stand strong,
You thought me how to move on in this[Fm]world,
I married my[G]sweetheart,
Even got a little baby girl,
[Am]I wish you cou[G]ld see her,
I swear she looks just like you,
[Fm]If you can hear[G]me,
Show me a sign,
Please send a butterfly or two.

(Chorus)

[Am]I m thinking about fore[G]ver, missing[Fm]you,
[Am]I know you re so much bet[G]ter, we made it[Fm]through.

[Am]Now i know what it[G]means to live with someone else,
[Fm]To give up your[G]self,
[Am]Things that change[G]their times you caught it strange,
Your[Fm]love remains the[G]same,
[Am]Do i make you[G]proud?
Mama can t you see me now?
[Fm]Whatever s good at[G]me,
It s because you showed me how,
[Am]To take, love by[G]the hand,
As so now i can,
[Fm]Share you with my baby so[G]that she can understand.

(Chorus)

(Actually i don t know the solo, so i hope you pplz can figure it out....)
