Nobody seems to want to tab out their songs. And I wanted to learn this one.
Enjoy!!!

Standard tuning
4/4 time listen to song for strumming pattern

it s easy!!

Verse 1
```
A            C#m                           Bm     E
We were meant to be that s what everyone says
A            C#m                    Bm          E
And it was plain to see, when you held my hand, oh
A            C#m                Bm             E
But I wouldn t tell you this just yet, I couldn t say that
  A          C#m         Bm                   E
You were on my mind all day, the next day, and the next
```

Pre-Chorus Bridge
```
         Bm      E
And the next day
       Bm                    E
This is a feeling that doesn t fade
```

Chorus
```
A                C#m        Bm             E
I think it s safe to say now that I love you
A            C#m   Bm                  E
Remember everyday I m thinking of you
Bm    E         Bm    E
Together forever
                  A
It’s safe to say
```

Verse 2
```
A                   C#m                      Bm
You don t have to pick the petals off a daisy
        E
To know I m crazy
A                       C#m
About you baby, there is no maybe
Bm            E
Oh and you know I m staying
Bm             E
In love with you
```

```
Bm                        E
Oh this I always knew

Bridge
            Bm    E
And the next day (X3)
                    Bm          E
I think that I can finally say
```
