I was your starlight

Same Chords follow

I kept the love you game alive,

And now I carry it with me
I know it s just a tear drop from mother earth,

But in it I can hear a dolphin sing

Telling me I'll never be alone,
I know you re right there

So with the fire still burning bright, I wanna gaze into your light
If I could see my fortune there,
You know how the flames can hypnotize

Do i even dare to speak out your name for fear like it sounds like, Like a lover

So don t cry for your love, Cry tears of joy Cos you re alive cradled in love So don t cry for your love, Cry tears of joy Cos you re alive cradled in love
