Poets Of The Fall " Kamikaze Love
Standard tuning (EADGBE)

Palm mute Intro/Verse and Strum Chorus and Bridge

Intro/Verse-

Em **D**
Here I go again rushing headlong

Without a second thought

Em **D**
Out where reality awaits

C
I choose to fantasize

Em **D**
And I build myself another piece of

This memory estate

Em
But I can t find the key

D **A**
To walk inside my own lies.

C
Hell, the way you walked in,

Am **B**
I would kiss the earth beneath your feet.

Chorus

Em **G**
Take me where the angels fall

C
You take it all

Am **Em**
You give no quarter for my love

G **C**
You raise me up to tear me down

Am
Leaves you reeling,

C
Feels like stealing,

Am
Frantic moments of Kamikaze Love.

Em **D**
What you live and breathe is why you're dying

I can see it in your eyes

Em **D**
It burns, but the waters will not flow

C
And we watch it all burn down

Em **D**
Just to pry ourselves another piece of

This memory estate

Em
But we can't find the key

D **A**
To unlock its doors for our souls.

Hell, the way you walked in,

Am **B**

I would kiss the earth beneath your feet.

Take me where the angels fall

Broken phrases, distorted faces,

Misunderstanding standing in between

These stolen moments hijack my love

Miss Understanding grinning through her teeth.
