Poets Of The Fall " Kamikaze Love  
Standard tuning (EADGBE)

\*Palm mute Intro/Verse and Strum Chorus and Bridge\*

Intro/Verse-

**Fm** **Eb**  
Here I go again rushing headlong

Without a second thought

**Fm** **Eb**  
Out where reality awaits

**C#**  
I choose to fantasize

**Fm** **Eb**  
And I build myself another piece of

This memory estate

**Fm**  
But I can t find the key

**Eb** **Bb**  
To walk inside my own lies.

**C#**  
Hell, the way you walked in,

**Bbm** **C**  
I would kiss the earth beneath your feet.

Chorus

**Fm** **G#**  
Take me where the angels fall

**C#**  
You take it all

**Bbm** **Fm**  
You give no quarter for my love

**G#** **C#**  
You raise me up to tear me down

**Bbm**  
Leaves you reeling,

**C#**  
Feels like stealing,

**Bbm**  
Frantic moments of Kamikaze Love.

**Fm** **Eb**  
What you live and breathe is why you're dying

I can see it in your eyes

**Fm** **Eb**  
It burns, but the waters will not flow

**C#**  
And we watch it all burn down

**Fm** **Eb**  
Just to pry ourselves another piece of

This memory estate

**Fm**  
But we can't find the key

**Eb** **Bb**  
To unlock its doors for our souls.

**C#**  
Hell, the way you walked in,

**Bbm** **C**

I would kiss the earth beneath your feet.

Chorus

**Fm** **G#**  
Take me where the angels fall

**C#**  
You take it all

**Bbm** **Fm**  
You give no quarter for my love

**G#** **C#**  
You raise me up to tear me down

**Bbm**  
Leaves you reeling,

**C#**  
Feels like stealing,

**Bbm**  
Frantic moments of Kamikaze Love.

**Fm** **C** **Fm**  
Broken phrases, distorted faces,

**C**  
Misunderstanding standing in between

**C#** **Bbm**  
These stolen moments hijack my love

**C#** **Bbm** **Fm**(build up)  
Miss Understanding grinning through her teeth.

Chorus

**Fm** **G#**  
Take me where the angels fall

**C#**  
You take it all

**Bbm** **Fm**  
You give no quarter for my love

**G#**

**C#**

You raise me up to tear me down

**Bbm**

Leaves you reeling,

**C#**

Feels like stealing,

**Bbm**
