Standard tuning (EADGBE)

Palm mute Intro/Verse and Strum Chorus and Bridge

Intro/Verse-

F#m **E**
Here I go again rushing headlong

Without a second thought

F#m **E**
Out where reality awaits

D
I choose to fantasize

F#m **E**
And I build myself another piece of

This memory estate

F#m
But I can t find the key

E **B**
To walk inside my own lies.

D
Hell, the way you walked in,

Bm **C#**
I would kiss the earth beneath your feet.

Chorus

F#m **A**
Take me where the angels fall

D
You take it all

Bm **F#m**
You give no quarter for my love

A **D**
You raise me up to tear me down

Bm
Leaves you reeling,

D
Feels like stealing,

Bm
Frantic moments of Kamikaze Love.

F#m **E**
What you live and breathe is why you're dying

I can see it in your eyes

F#m **E**
It burns, but the waters will not flow

D
And we watch it all burn down

F#m **E**
Just to pry ourselves another piece of

This memory estate

F#m
But we can't find the key

E **B**
To unlock its doors for our souls.

Hell, the way you walked in,

I would kiss the earth beneath your feet.

Broken phrases, distorted faces,

Misunderstanding standing in between

These stolen moments hijack my love

Miss Understanding grinning through her teeth.
