Sleep
Poets of the Fall

Sleep

Intro:
Bbm C# F# F7
Bbm C# F# F7

Verse 1:

Bbm   **C#**
Hear your heartbeat
                    F#
Beat a frantic pace
                     F7
And it s not even seven AM

Bbm   **C#**
You re feeling the rush
                F#
of anguish settling
                 F7
You cannot help showing them in.

Bridge 1:

Bbm   **C#**
Hurry up then
                         F#
Or you ll fall behind and
                  F7
They will take control of you

Bbm   **C#**
And you need to heal
                     F#
The hurt behind your eyes
             F7
Fickle words crowding your mind
F7
So

Chorus:
Bbm   **C#**
Sleep, sugar, let your dreams flood in,
      F#   **F7**
Like waves of sweet fire, you re safe within
Bbm   **C#**

```
Sleep, sweetie, let your floods come rushing in,
      F#          F7
And carry you over to a new morning

Verse 2:

Bbm          C#
Try as you might
                  F#
You try to give it up
              F7
Seems to be holding on fast

Bbm              C#
It s hand in your hand
                F#
A shadow over your
                F7
A beggar for soul in your face

Bridge 2:
Bbm                  C#
Still it don t matter
                  F#
If you won t listen
                      F7
If you won t let them follow you

Bbm                  C#
You just need to heal
                  F#
Make good all your lies
            F7
Move on and don t look behind

Chorus:
Bbm                      C#
Sleep, sugar, let your dreams flood in,
      F#                        F7
Like waves of sweet fire, you re safe within
Bbm                      C#
Sleep, sweetie, let your floods come rushing in,
      F#          F7
And carry you over to a new morning

(Now the rhythm gets a bit different. Just listen to the song and youÂ´ll figure
it out somehow^^)

Bbm        C#
Day after day
F#          F7
Fickle visions
Bbm                  C#
```

Messing with your head
F#   **F7**
Fickle, vicious
Bbm   **C#**
Sleeping in your bed
F#   **F7**
Messing with your head
Bbm   **C#**
Fickle visions
F#   **F7**
Fickle, vicious

Instrumental Break:
Bbm C# F# F7
Bbm C# F# F7

Chorus:
Bbm   **C#**
Sleep, sugar, let your dreams flood in,
      F#   **F7**
Like waves of sweet fire, you re safe within
Bbm   **C#**
Sleep, sweetie, let your floods come rushing in,
      F#   **F7**
And carry you over to a new morning
